My dear Mr. Mirza,

URGENT.

The Huzur Kamdar mentioned to me that he showed the accompanying Blue Print to you when you were last in Mysore explaining the necessity for adding bath rooms and kitchen to the Chattram in Benares and constructing steps. His Highness to whom I submitted the matter was pleased to say that the blue print may be sent to you with a request that the question of adding the rooms may kindly be - considered when funds permit. I have therefore sent the Blue Print with this letter for favour of the question being taken up for consideration when funds are available.

Yours sincerely,

Muzrai Secy

Please get an estimate prepared for the proposed works & let me know if it is possible to find the funds during next year
